Repeat sex offender arrested again for sex abuse

A **level 3 sex offender** has been denied bail for allegedly abusing a minor, again. 60-year-old Dennis Duboy pleaded not guilty in Troy City Court this morning to new charges of Sex Abuse and Criminal Sex Act, both felonies, as well as Endangering the Welfare of a Child.

Investigators say Duboy performed a sex act on a 15-year-old boy without his consent. Duboy has been convicted multiple times on previous child abuse charges.

According to the New York State Sex Offender Registry website, Duboy served 15 years in state prison for a 1986 conviction on charges of sex abuse involving a minor.
